

# Beulah Fire Protection & Ambulance District

## Captain Nick Martin

Captain Nick Martin has been serving the District since May of 2021 rising from the rank of Firefighter/EMT to Lieutenant in May of 2023 and then Captain in May of 2025. Captain Martin also became a paramedic in 2022 after completing his training at PCC. Captain Martin leads our rescue operations division of the agency. Here is a little more about Captain Martin in his own words.

I was born and raised in Michigan where I started my career in 2017 working as an EMT for Universal Macomb Ambulance. My first move was to Arizona where I worked for AMR as an EMT for a year. I moved to Beulah in 2019 and was working for AMR Pueblo at the time. In 2020 I joined Beulah Fire after meeting the Chief through a mutual friend. I now live with my girlfriend who works in the insurance field for Commonspirit and our two crazy dogs. I began working as a Firefighter/Paramedic for Pueblo West Fire in 2024 and am currently assigned to Station 1. I am a first-generation firefighter from a mostly military family who taught me public service is an integral part of being in a community. I enjoy being a dependable presence and delivering high quality patient care for people in need in the community that I live in.
