

Beulah Fire Protection & Ambulance District

Captain Hunter Richardson

Captain Hunter Richardson has been serving the District since January of 2022 rising from the rank of Firefighter/EMT to Captain in November of 2025. Captain Richardson was one of the first Fire Cadets to move through the shadow program in high school to become a full-time member with Beulah Fire. Here is a little more about Captain Richardson in his own words.

I have lived in Beulah for the past 19 years; my family moved from northern Missouri for my dad's job when I was three years old. I have been a part of Beulah Fire for 8 years starting as a Cadet at 14 and becoming a Firefighter/EMT at 18. My mom was a member of Beulah Fire at that time, and my stepdad still volunteers for the department, which sparked my interest in the field. I have a fiancé named Faith who moved here from Pennsylvania 4 years ago and currently works as a Patient Health and Benefit Counselor for Common-Spirit Health. I am currently attending paramedic school at St. Anthony's in Colorado Springs. I am extremely proud of the capabilities of our small agency, thanks to the thousands of hours of dedication and training by our career and volunteer members we can provide 24/7 fire protection, emergency medical care, rescue capabilities, and emergency preparedness for not only our own community but many surrounding towns and cities when large scale incidents arise.
